- Our courses are open to individuals with a background in engineering, both contractors and/or full-time employees.
- Courses are conducted in our dedicated training suite in AVEVA Chesterfield offices or at client sites on request.
- Customer demand dictates how frequently we run our courses. **If you don't see the course that you are interested in attending,** please contact training.uk@aveva.com or by telephone +44 (0)1246 572300 to find out the next available dates.

- If you require three or more staff to be trained, then simply book one of our trainers to visit you at your company offices.
- To optimise your learning potential we endeavour to keep our class sizes small.
- A module list defining the content of each training module and course fees are available on request.

Date of issue: 19 January 2012

For more information, please contact the Training Coordinator.
